

Tree-Starter™

Naturally complete tree nutrition.

Tree-Starter™ offers a three-pronged support system for soil biology. Firstly, it supplies a wide range of food sources for soil life including humates, kelp (seaweed) and compost. Secondly, it retains moisture and provides a home-base for beneficial organisms through the inclusion of zeolite and rock minerals. Finally, highly paramagnetic materials are included in the formula to stimulate microbial proliferation. In addition to this trio of benefits, the compost component also inoculates a new workforce of beneficial microbes into the soil.

Key Benefits

- Complete tree nutrition including trace elements.
- Suitable for native and exotic trees.
- 15 kg bag for easy use in the field.
- Suitable for conventional and sustainable forestry.

Packaging

- 15 kg bag
- 70 x 15 kg bags (1050 kg)

Product Codes: TREESTARTER-15, TREESTARTER-1050

Global Land Repair Pty Ltd (incorporating “the plant pink system”)
P.O. Box 659, FYSHWICK ACT 2609, AUSTRALIA. Ph: Matt Kilby 0418 654 231

Typical Analysis (w/w)

Nitrogen (as ammonium)	1.68%
Nitrogen (as organic)	0.35%
Nitrogen (as nitrate)	0.23%
Total Nitrogen	2.26%
Phosphorus (as citrate soluble)	0.30%
Phosphorus (as citrate insoluble)	0.72%
Total Phosphorus	1.02%
Potassium (as sulphate).....	0.82%
Potassium (as oxide)	0.20%
Potassium (as organic)	0.20%
Total Potassium.....	1.22%
Silicon (as oxide)	5.83%
Carbon (as organic).....	4.00%
Calcium (as carbonate)	3.02%
Calcium (as phosphate).....	1.90%
Calcium (as organic).....	0.40%
Calcium (as nitrate).....	0.33%
Total Calcium.....	5.65%
Sulphur (as sulphate).....	2.56%
Sulphur (as oxide).....	0.22%
Total Sulphur	2.78%
Magnesium (as carbonate)	1.14%
Magnesium (as oxide).....	0.23%
Total Magnesium	1.37%
Iron (as oxide).....	0.42%
Iron (as phosphate).....	0.23%
Iron (as sulphate).....	0.21%
Total Iron	0.86%
Sodium (as chloride)	0.76%
Chloride (as sodium).....	0.73%
Zinc (as sulphate).....	0.10%
Manganese (as sulphate).....	0.10%
Copper (as sulphate)	0.10%
Boron (as sodium borate).....	0.015%
Molybdenum (as sodium molybdate)	0.007%

Particle Size: 0.01 – 5.0 mm

This product contains 1.5% Blood and Bone fertiliser.

Active Ingredients

Kelp Meal.....	Increased Water Holding Capacity, Chelated Trace Minerals and Tree Growth Promotants.
Zeolite	Increased Nutrient Holding Capacity, Increased Beneficial Microbe Colonising Sites.
Cow Manure.....	Available Carbon/Humates and Beneficial Microbes.
Natural Phosphate	Silica, Calcium and Phosphorous.
Rock Minerals.....	Paramagnetism and Slow Release Trace Minerals.
Blood and Bone.....	Plant Available Nitrogen/Phosphorous and Calcium.
Sea Minerals.....	Plant Available Trace Minerals.
Natural Potassium Sulphate	Plant Available Potassium/Sulphur.
Borax Pentahydrate	Plant Available Boron.
Dolomite	Natural Calcium and Magnesium.
Calcium Nitrate.....	Plant Available Calcium/Nitrogen.
Ammonium Sulphate	Plant Available Nitrogen/Sulphur.
Iron Sulphate.....	Plant Available Iron/Sulphur.
Manganese Sulphate	Plant Available Manganese/Sulphur.
Zinc Sulphate	Plant Available Zinc/Sulphur.
Copper Sulphate.....	Plant Available Copper/Sulphur.
Sodium Molybdate.....	Plant Available Molybdenum.

Application Rates

- 200g (1 cup) into each planting hole.

Extra Information

- Store in a cool, dry environment.
- Shelf life is three years if stored correctly.
- This product contains powdered material so it needs to be applied by hand or via a belt spreader.
- Made in Australia.
- Please refer to the Material Safety Data Sheet (M.S.D.S) at www.globallandrepair.com.au before handling this product.
